

## 产品说明书

### Product Specification

#### 产品描述 Product Description:

产品名称: 优果甜粉末香精

产品型号: TR-2401

日期: 2023-12-12

Name: Ugo sweet powder Flavor

Product Code: TR-2401

Date: 10/12/2023

Version 1 Doc KY2024/PSPF005-05

#### 产品描述

本产品优果甜粉末香精为白色粉末产品, 专为酱卤产品设计而成。使用后可以帮助产品更均匀的上色、延长产品货架期。该产品亦可同比例减少白砂糖的用量而不降低其甜度, 产品甜感更清新。产品易溶于水, 可以广泛运用于各种场景。

#### General Description

Ugo sweet powder flavor is white powder, special designed for marinated products. The product benefits for the improvement of coloring evenly, It helps to extend the shelf-life of the end products. The product can also proportionally reduce the amount of white granulated sugar without reducing its sweetness, giving more fresher taste. It is water soluble and is easy to apply in many conditions.

#### 产品特点 Product Characteristics :

本产品具有以下作用,

- 提高产品的上色均匀度
- 可有效延长产品货架期
- 改善甜感

The product benefits for marinated products

- Improve the coloring evenly.
- Can effectively extend the product shelf-life
